Dear Career Fair Representative,

On behalf of Lyman Hall High School FBLA chapter and the Quinnipiac Chamber of Commerce, thank you for taking time from your busy schedule to share your career with our students. We are very excited that you have made the commitment to participate in our event.

As you are aware, Lyman Hall's Career Fair has been scheduled for **Friday, April 25, 2008, from 8:00a.m. to 10:30 a.m.** Please plan to arrive at Lyman Hall High school no later than 7:45 a.m. Parking is available in the back of the school. Please see the attached directions. Please note that students will be posted at the gymnasium entrance door to escort you to the gymnasium and to assist you with any materials.

We encourage you to have organized handouts illustrating career opportunities with your company or industry. This will be an extremely helpful tool for our students. You can also demonstrate your work by bringing tools, equipment, posters, or samples. I have enclosed a list of helpful hints to aid you in responding to the students' questions.

We will be organizing a raffle to ensure that there is maximum participation. You will receive 25 raffle tickets that will be located at your table. The tickets will be awarded to the students, at your discretion, based on students asking intelligent, well thought out questions. The students will then have the opportunity to fill out the back of the raffle ticket and enter a drawing for a prize. If possible, we ask that each representative donate a raffle prize. Donated prizes can be a tee shirt with your company logo, pens, pencils, hats, gift certificates, etc.

Further, it is imperative that you let me know if you need electrical access. Please email me at kbysiewicz@wallingford.k12.ct.us if you need electrical access. We must know ahead of time where to position your table. If you do need electrical access, please bring an extension cord. Your table will be marked with a tent card and name badges will also be located at your table. Please wear your name badge at all times.

Thank you for helping us in preparing the leaders of tomorrow. Please accept our sincere appreciation for taking time and making the effort to join us. Your participation is both greatly and eagerly anticipated.

Sincerely,

Kate Bysiewicz

Hi Connie,

At your request, here is our email for a potential job shadow:

I am writing to set up a job shadow/internship for Stephen Murray, a senior at Common Ground High School. Stephen is a very accomplished student seeking more information on careers in sports- specifically communications with a sport focus. I am looking to set up one day job shadow for Stephen at WTNH- Channel 8 News. I would like Stephen to gain the following from the job shadow: 1) What does it take to enter the sports broadcasting career field? 2) General information on what happens in the newsroom 3) What types of careers will a major in communications offer me?

I hope this description helps!

Our April vacation runs from Friday April 11 through Sunday April 20th. Ideally, he should complete this shadow during that week. Please let me know how I should set this up- I can have Stephen call you.

Thanks,

Subject: Thank you for the Job-Shadow!

To Connie Fitch:

I just wanted to thank you again for giving me the opportunity of the job-shadow. I had so much fun and enjoyed every second of it! This meant so much to me. It helped me better my understanding of the TV world, especially behind the scenes. I also made some great contacts, however, I was unable to get their emails. I was wondering if you could reply back to me with their emails, so I can send them thank-you letters as well. I would like to email Jamie, Sandy, Fred (director) and Tom (cameraman). They definitely broadened my knowledge of the news and production, and I would also like to keep in contact with them.

Again, thank you very much for this great opportunity, and I hope to stay in contact with you. If there is anything you every need, please feel free to contact me anytime.

Sincerely,

Robert - Tuesday April 15th would work for us.

As I mentioned I will need the Job Shadow form faxed back to me before that date 203-848-2960 (fax#) or if you have a way of scanning and emailing me that is fine as well.

She should arrive at 9am and come to the main door at the Corner of Elm & State Street in New Haven and ask for me.

If you or someone else is driving her, you are welcome to come back at noon to watch the noon news from 12 – 1pm with her. Unfortunately you will have to find parking in one of the public lots....either on ELM (between Orange and State) or STATE (Corner of Chapel and state) or meter parking.

We look forward to having her come. Please tell her to get the most out of this experience while she is observing and listening is to ask questions☺

Dear Ms. Fitch and Staff:

Thank you so very much for giving me the opportunity this past Monday of exploring my dream to become a News Broadcaster. I am extremely appreciative. Just the rush of first walking through the studio gave me chills all through my body; and when you let me sit in the actual desk Sonia and Darren sit in, I couldn't have been happier. I was amazed at how much work really went into the entire running of News Channel 8 and My TV9. Not only do the reporters need to be on top of things; so much work goes into contests, the website and just being able to keep up the ratings on the show. Everyone has a part within the network and all must work together to fulfill true success. Thank you for giving me a tour of the entire place too. It was very interesting to be able to see the control room and such. I also enjoyed being able to sit in on the meeting dealing with the stories that were to be aired on the show. I found it simply astounding that one of the reporters was sitting at the end of the table and once receiving her assigned story, she got her jacket and was out, ready to film. It helped me to realize you must be on top of things, and you must be able to go with the flow for sometimes, things don't always go as planned. I witnessed this when watching the noon show being filmed live. While sitting in the studio, things seemed to be going fine. Yet, the minute I walked into the control room with Chanelle, it was extremely hectic. The fonts weren't right and packages, which you fortunately explained to me, weren't coming through. Just the fact that so much goes into putting together a one hour show proves that the job is just more than sitting behind a desk and reading off a teleprompter. This experience was so exciting for me and my gratuity cannot be fully expressed through words. Even knowing what it takes to become an anchor hasn't changed my desire to continue on the quest. I would also like to thank Chanelle Leiss and Francesca Grasso. Chanelle brought me into the control room and onto the set to watch the show, which was by far one of my favorite parts of the day. Francesca, only an intern for three days, helped me realize what it will be like when I first get started - sitting behind a desk and answering phone calls. Yet, she was extremely personable and we were both able to talk to Mr. Darren Kramer to hear about the true life of an actual anchor. I felt like I was able to ask the questions I had and have them answered to the extent I was in search of. Please let both women know how thankful I am as well. I hope to maybe come back and go on a run with one of the reporters to watch a story being filmed and such. You were all very welcoming towards me and I couldn't have asked for a better day at News Channel 8 and My TV9.

The Job Shadow Program at Cheshire High School provides junior and senior students with an opportunity to experience first hand, the reality of the working world. Students are prepared to ask career related questions and observe someone in the field they wish to explore. We have found students benefit from this program by receiving valuable information and "tips" with regards to further schooling and getting started in a career by someone whom has already been through it and is now established in the field.

WHAT'S NEW AT THE CBA OFFICE

By Mike Rice

CBA Vice President of Emergency Services

At its February meeting your CBA Board of Directors approved my proposal to create a new post of Vice President of Emergency Services and to ask Wayne Mulligan to fill that position. Wayne has agreed and he began on March 1st. In this position, Wayne will continue as CT's SECC (State Emergency Communications Chairman) an FCC appointment he has held as a volunteer for over 10 years. In this position, he chairs CBA's EAS Committee. In addition, Wayne will take over the chairmanship of CBA's AMBER Alert Study Committee. This is a natural fit because Wayne, along with Chief Kevin Searles from Windsor, was the founder of our state's original AMBER plan back in 2001. Wayne will also become CBA's liaison with several national organizations and agencies that handle EAS and AMBER issues. He will be responsible for CBA's technical training associated with our traditional Engineer's Day and within our annual convention program. I am especially pleased that the Board has taken this action. I've long felt that the issues we face in the emergency warning area are the bedrock of our localism. With the next version of EAS right around the corner and many house keeping issues needing closure with our EAS and AMBER plans, CBA and our state need the focus and attention of one person to speed up progress. Wayne is just the right person and now with his retirement from Buckley Broadcasting, he has the time.

NAB State Leadership Conference

Back in the last week of February, a delegation of your board attended the 2008 NAB State Leadership Conference in Washington. Joining me were Jon Hitchcock, Jennifer Parsons, Robin Faller and Don DeCesare. After a day of training on the issues we face as an industry with the FCC and Congress, we spent a day on Capitol Hill calling on the offices of each of our members of Congress. As a follow-up to this, it is very important that each of you communicate with your Senators, Representatives or the FCC Commissioners as applicable to express your positions on localism, broadcasters as first responders, the DTV transition process, the Free Flow of Information Act (Shield Bill), performers royalties, internet streaming fees, retransmission consent and portable unlicensed devices in the TV band (the white space issue). We have never had more on our plate. You must find time to get involved. Please make this part of every work week.

CBA Broadcast Opportunities Job Fair

Laura Soll has put together another CBA Broadcast Opportunities Job Fair. It will be Monday May 12th from 4-6:30 p.m. at the Holiday Inn in North Haven at Exit 12 off I-91. With hope of increasing attendance, we are moving to a new location with easy access and free close-up parking. Registration instructions will reach you soon. Participation gives your station outreach credit in your EEO program.

Engineer's Day

Wayne Mulligan, in consultation with Scott Baron Chairman of the Society of Broadcast Engineers Chapter 14, has decided to move the annual CBA/SBE Engineer's Day to the fall this year. They are working on lining up the training that will be offered. Stay tuned.

NCSA

On the NCSA front your stations should be running the National Guard thru the last billing day of the year and the Coast Guard thru May 18th. Negotiations are almost complete for a 6-month flight with OSET promoting 911 education. This should start after the Coast Guard flight.

Station Directory

Our new database for station directory information has been installed on <ctba.org>. If you haven't already done so, please check it out. For those of you who have sent in changes or corrections, they have all been submitted to the database vendor. Please check a few weeks after you submit changes. I'm still getting a handle on the best way to do this and how long it will take. The data is supposed to be updated weekly. If you haven't checked your listing, please do so. If changes are needed please email them to me as a word attachment.

Phil,

Hope you are well and having a successful start of the year.

As I mentioned in our last telephone conversation we will again be celebrating Entrepreneurship Week at Gateway Community College.

We would like to again invite you to serve as a member of our panel discussion on effective advertising techniques. Our plans call for that event to take place on Monday February 25th starting at 7pm

Additionally, we are planning another panel discussion for Wednesday February 27th on the topic of effective communications skills. It was an idea that came up during our visit to your Channel 8 studio.

Ann Nyberg and Geoff Fox were talking at length about the early part of their career and how important it was for them to have developed good communication skill.

We really appreciated their comments and felt that this topic would be a great one for a presentation or panel discussion.

Other possible invited members for our panel discussion would include an executive from AT&T and another person from a public relations firm. A professional from the Channel 8 news/ weather team would be excellent for this event.

Please give this your consideration and get back to me at your earliest convenience.

Thanks!

Geoff,

Thanks for accepting our invitation to speak at Gateway Community College during our celebration of Entrepreneurship Week USA 2008.

You will be a part of a panel discussion entitled "Communication Skills for Successful Entrepreneurs". This will take place on Wednesday February 27th. We plan to start the event at 7:00pm, so if you can plan to be there by 6:45 that would be great.

I will send you additional information next week with specifics about the questions to be asked. If you have any questions please feel free to call me at 203-732-2225

Thanks !

Date you need answer by: ASAP

Thanks for your help with this event !

Would also like to bring my Advertising class into Channel 8 on any of the following dates:

April 21st, April 28th or May 5th

Jocelyn – Are you available for this? Connie

Name of person you are requesting: Jocelyn Maminta

Event name: 2008 Junior Achievement Business Hall of Fame

Organization (brief description):

Junior Achievement (JA) inspires and prepares students to make their way in the world, to be responsible citizens and community leaders and to be money-smart for life. JA programs are especially critical in urban sectors comprised of lower socio-economic populations. JA community and business volunteers deliver messages of hope and teach children specific and strategic steps to lifelong success and economic independence.

Junior Achievement is a solution provider. School districts throughout Connecticut have called upon JA to help educate today's youth to become tomorrow's future leaders and reliable workforce. JA programs encourage students in grades as young as kindergarten to be responsible citizens, how to earn and save money and why life-long learning is the ultimate key to a successful future. Last year, more than 1,900 business and community volunteers reached roughly 31,000 students in 67 towns.

Event date & time: Tuesday, April 29, 2008; Program begins at 7 p.m., includes dinner and concludes no later than 9:15 (our reputation has been spotless on keeping this a tight program and finishing roughly at 9). We like the emcee there at least 15 minutes in advance.

Event location: New Haven Lawn Club

Specific time person needed at event: 6:45

Role of person requested: We do the scripting but the emcee opens up the program, welcomes the guests, announces the honorees and reads the citations.

Additional info: This year's Laureates include: David W. Benfer, President and CEO, St. Raphael's Healthcare Systems; Andy Tournas, President, ThermoSpas; Christopher J. Zane, President, Zane's Cycles

Connie,

Hard to believe that we are already in process with our 2008 Business Hall of Fame for New Haven. Scheduled for April 29 at the NHLC again this year. An outline of the program is attached.

We would love to have one of your on-air personalities consider serving as our emcee again this year. We have been fortunate to have terrific folks from WTNH in the past - always a big hit with our audience.

If I recall correctly, there is a process that you have for allowing the anchors/reporters to review materials and decide if it is something that they can do. I attach a preliminary program as well as an FAQ about JA. We ask only that we have confirmation somewhat early so that we do not run the risk of having no one available to us. We also like to give the station the utmost marketing by including a bio and photo of the person in our program.

Please let me know if your process is still the same and whether or not you need additional information.

Thanks so much.

Best wishes,

Mary Jane

Joceyl,

Many thanks for agreeing to MC our May 3 JA Business Hall of Fame at the New Haven Lawn Club. It is a lovely event and one that has proven to be a successful fundraiser and friendraiser for Junior Achievement. Formal invitations have gone in the mail and we are already at roughly 1/4 to 1/3 of the way to our goals.

Dawn Sawicki, JA's special event coordinator, will be in touch closer to the event. In the meantime, I attach a rough schedule of the evening, a flyer that went out earlier to the Milford Community and a fact sheet about JA. I have asked Dawn to forward some additional background on JA to you at the station.

Final scripting always brings us pretty close to the wire, but we do try to get out a copy to the MC at least two-three days in advance of the event. Let me know if that timing is a problem for you. We have been incredibly successful historically to keeping the program to no more than one hour - we see no reason that it will change this

year.

Dawn will put together your bio for our program and get that to you to approve, but please forward electronically a head electronic head shot that we can use in the program.

Please don't hesitate to contact Dawn (same number as below) or me should you have any questions.

Thank you again.

Connie,

There is a reading event on the 26th of September (Friday) in Hamden.
It's the annual reading week in the school system.
Several of us have been asked to take part.
I will be there in the morning at 9:30.
The release is below thanks!

Jodi Latina

Jodi Latina

Name: Sara
E-mail Address: swhalen@hamden.org
Address: 2040 Dixwell Avenue
Town: Hamden
State: CT
Zip Code: 06514
Phone: (203) 407.2040 ext. 5555
Comments: Dear Ms. Latina,

Thanks to the generous donation of books from the Hamden Education Foundation, all of the first grade classrooms in the Hamden Public schools have received 26 new books for their classroom libraries. Each book has been dedicated to one of our first grade students. In celebration of this gift, we are having a First Grade Community Readers' Day at 9:30 a.m. on Friday, September 26th. We would be privileged to have you as one of our honored guest readers.

If you wish to pick up your selection in advance, you will find the donated books available in the school office of your assigned school. You may also come early on the 26th, if you would like a chance to pre-read your book. If requested, we will send you a book in advance. Greeters in the schools will escort you to your assigned classroom. The readings will take approximately 20 minutes. Refreshments will be served after the reading as a thank you for your participation.

Please let us know if you are available to join us for this exciting event by e-mailing Sara Whalen at SWhalen@hamden.org no later than Tuesday, September 16th. We would like to notify all readers of their assignments by next week. Thank you.

Sincerely,

Subject: Request for Jocelyn Maminta

Hello, Connie-

The purpose of this email is to request Jocelyn Maminta's participation in a panel discussion presented by the Women & Family Life Center (WFLC) on "Politics, Women & the Media." This event will take place on October 22 at 7pm at the Women & Family Life Center in Guilford. This presentation is one of a four-part lecture series, which--together--make up a new program of the WFLC called "Share our Voices," which is described below.

In this era of information technology, we have access to infinite sources of news and information – we can easily become experts on a topic and we can just as easily become overwhelmed by the endless flow of information. Coming together to share our knowledge, opinions and questions through discussion is an exceptional opportunity to broaden our understanding of issues that affect us all. "Share Our Voices" will offer a seasonal discussion series on timely topics. The 2008 Election is the subject for the Fall Season, entitled: "Women and Politics: An Historic Year".

During the first half of 2008, our country has witnessed record numbers of voter turnout for the Presidential primaries. Citizens are engaged and they calling our elected officials to task when confronting issues that affect their daily lives. Historically, women continue to play an important role in every Presidential election – this year is no different. The WFLC series will tackle for 4 topics: A Woman's Place in Politics: An Intergenerational Discussion, Sexism and the Media, An Obama/McCain surrogate Forum on issues affecting women and What Happened: After the Election.

Please contact me directly by email or at 458-6699 with any questions-- thank you for your consideration of this request!

Sincerely,

Liza Petra

LIN TV Posts March 15 Deadline for Minority Scholarship Program Applications

PROVIDENCE, RI, March 3, 2008 – Aspiring broadcast professionals, take note: LIN TV Corp. (NYSE: TVL), a local television and digital media company, today announced it is now accepting applications for the 2008 Minority Scholarship and Training Program. The deadline to apply at <http://www.lintv.com/contact/careers.html> is March 15, 2008.

LIN TV's Minority Scholarship and Training Program awards two-year scholarships to ambitious students who are pursuing a wide spectrum of goals in or relating to broadcast television and digital media, ranging from producing and engineering to broadcast journalism, community affairs and sales. Students are selected to receive the Minority Scholarship because of their academic achievement, their passion for broadcasting and their desire to contribute to the overall advancement of the industry.

"Since the Minority Scholarship and Training Program was established more than a decade ago, LIN TV has awarded more than \$500,000 to several exceptional scholars," said Vincent L. Sadusky, president and chief executive officer of LIN TV. "Our scholarship program provides a valuable opportunity to the most promising of the next generation of broadcast professionals and we urge all interested students to apply."

The recipient of LIN TV's 2008 Minority Scholarship and Training Program will receive a two-year scholarship, worth up to twenty thousand (\$20,000) dollars per year, for tuition, fees, books, and room and board. In addition, LIN TV will provide the recipient with hands-on broadcast training through a paid internship program at one of LIN TV's 29 television stations, where they will gain valuable experience in all areas of television station operations.

Dear Sir/Madam:

The Career Services Center at Naugatuck Valley Community College invites you to participate in our Spring Career Fair. The event will be held on **Monday, March 30, 2009** at Naugatuck Valley Community College from **10:00 A.M. to 2:00 P.M.** *There will be a \$40.00 fee per company which includes a complimentary lunch for two representatives. Please make checks payable to: Career Services Center-NVCC.*

Prior to the Career Fair we will be conducting proactive outreach to students with a focus on job seeking preparation. Our goal is to prepare our students for the fair by providing resume writing and interviewing workshops. We are also encouraging students to research companies prior to attending the fair. To assist us with this it would be very helpful to have you send any materials you would like to share with students as soon as possible.

All employer responses are due by **February 27, 2009**. *Please complete the attached registration form and return it in then enclosed self-addressed, stamped envelope.* If you have any questions please call the Career Services Center at (203) 575-8223. You can also fax your response to (203) 575-8003.

We are proud to create an opportunity for you to meet with our students and graduates. They represent a vast field of diverse, talented individuals eager to prove to you that they are ready to meet your employment needs. We look forward to seeing you and assisting you with all arrangements you require for the fair.

Sincerely,

Maritza Tirú

Dear Ms. Blank:

Thank you for your participation in the 2009 Career Fair at Naugatuck Valley Community College. Our fair this year hosted approximately 50 different companies and organizations from predominantly the Greater Waterbury area. It provided a vital service for our students and graduates as they were given the opportunity to find either their first important job or a brand new career. We were grateful to be able to present our students with such a career exploration activity, which will give them an edge as they pursue employment.

We have received several employer evaluations and look forward to receiving the rest as we will meet to discuss ways in which we can implement your suggestions for improvement. It is our goal to make this event as productive and worthwhile to employers as possible. Your thoughts and observations are greatly appreciated.

Our feedback from faculty, students, and the administration has all been very favorable. We hope that your experience was equally positive, and you will choose to participate again next year. Once more, we are grateful for your participation and look forward to your continued support of Naugatuck Valley Community College.

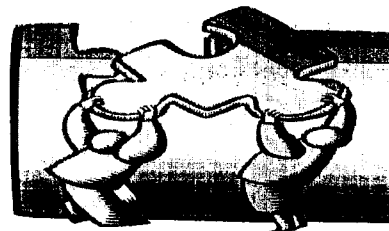

Sincerely,

Maritza Tirú

Subject: Meriden/Wallingford Career Pathways Day April 30th

Good Afternoon Ms. Weber,

It was such a pleasure speaking to you today. As we quickly discussed, on April 30, 2009, the Meriden and Wallingford school systems are presenting the **First Annual Meriden and Wallingford Career Pathways Career Fair** at the Holiday Inn in North Haven. It will be designed to feature career representation to all sixteen CT Career Pathways Clusters. **Eight hundred** 10th, 11th, and 12th graders will be attending in two shifts of 400 students each. We would be so pleased if the SkyMax Mobile Weather Lab could attend our event. If it is not possible, we would certainly appreciate your accommodation of a professional individual to discuss with our students careers in the Arts, A/V Technology and Communications cluster.

Each participating organization and company including community colleges and several certificate and A.S. degree programs such as Lincoln Tech, several trade unions, the armed forces, Industrial Management and Training Institute, Briarwood College, the Meriden and QCC Chambers, Goodwin College, Quinnipiac University, UNH, and more are participating as well as several public safety groups.

The first session will be from 8:15 -10:15 a.m., then a luncheon and networking for participants for 1 hour, then a second session from 11:15 -1:15 p.m. so all students can be transported by bus.

To curb the cost of the event, donations are being accepted but are not required for participation. **Please let me know by Thursday April 23rd if you will be attending, if you will be taking a guest, if you need electrical access, and/or if you would like an inside or outside display.** Also, if you plan on making a donation please mail it to:

Ms. Sarah Davison, Career Pathways Coordinator
 Platt High School
 220 Coe Avenue,
 Meriden, CT 06450

Upon your confirmation, within the next week you will receive information in regards to the expectations for the day. If you have any questions, please do not hesitate to call me.

Thank you in advance for considering your participation in this new endeavor between the Meriden and Wallingford school systems.

Best Regards,

4/29/2009

Dear Ms. Weber:

On behalf of everyone who contributed to making the First Annual Meriden & Wallingford Career Pathways Day a success, I would like to thank you. Your participation at this event helped to make this the best career exploration event ever put on by the Meriden and Wallingford school districts. The students left the event excited about the career and education possibilities that they learned about and they were still raving about the event days after.

Thank you again and I hope you are able to participate again next year!

TELEVISION CORPORATION

LIN TELEVISION CORPORATION MINORITY SCHOLARSHIP & TRAINING PROGRAM

LIN Television Corporation (LIN) sponsors a scholarship program designed to help educate and train outstanding minority candidates who seek to enter the television broadcast field. LIN's hope is that the program's success will enrich the cultural diversity in the LIN station group and lead to a diverse group of managers and leaders within the company.

LIN has been involved in television broadcasting since 1966 and has a proud heritage of ownership and outstanding local television stations. LIN has been a leader in the industry throughout its history and was among the first in our field to introduce local news, color television, Local Marketing Agreements, and most recently, digital television. This scholarship initiative is another step in providing leadership in the television industry.

Eligibility

- Applicant must have a minimum 3.0 cumulative GPA and be a declared major in broadcast journalism, mass communication, television production, or marketing at an accredited university or college.
- Applicant must have completed sufficient semester hours or similar educational units to be classified by his/her college or university as a sophomore.
- Applicant must be a citizen of the United States and of non-white origin.

Program Specifics

LIN agrees to:

- Pay the following University or College expenses not to exceed \$20,000 per school year:
 1. Tuition and Fees
 2. Books
 3. Room and Board (Dormitory and Meal Plan)
- Provide part-time employment during school as an Intern
- Provide post graduation employment at a LIN station:
 1. Competitive Salary
 2. Pay reasonable moving expenses required by LIN

Successful Candidate must agree to:

- Sign a four-year Employment Agreement that includes scholarship, internship, and post graduation employment.
 1. Agreement must be signed prior to scholarship payment.

2. Candidate agrees to repay LIN television for all scholarship payments if Employment Agreement is breeched by Candidate.
- Work as an Intern during completion of degree program.
 1. Employment scheduling will be at the mutual agreement of Candidate and LIN Management.
 2. Employment will typically include summer months in between school semesters.
 - Work at LIN TV station to be determined by LIN Management post graduation for a minimum period of two years.
